

LAMINATING PROCESS

Certificate Number FRPI-004-DV

This Certifies that

Perry Fiberglass Products, Inc.

33660 Pin Oak Parkway; Avon Lake, OH 44012

operates a laminating process that has been audited by the Fiberglass Reinforced Plastics Institute ("FRPI") and was found to meet the capability and quality intentions as published in FRPI Standard Practice SP9000 covering Laminating Process Certification.

This certificate holder is hereby authorized to use the symbols of the Fiberglass Reinforced Plastics Institute subject to the provisions of the Standard Practices and audit agreement. Any literature and equipment laminate components approved by FRPI to be labeled with these symbols shall represent the standards of laminate quality set forth by the Fiberglass Reinforced Plastics Institute.
